Membership Donation

Wooden Spoon funds life-changing projects across the UK and Ireland to support disadvantaged and disabled children.

One of the easiest ways you can help is by donating regularly and joining as a member of Wooden Spoon. Every new member joining us means we will be able to fund more projects and help more children across the UK through a range of projects, which are not just rugby focused, including respite and medical treatment centres, sensory rooms, specialist playgrounds, sports activity areas and community based programmes in the UK and Ireland.

There are 800,000 disabled children in Britain. That means that one in fifteen families with dependent children have a disabled child.

Every 10 minutes a family in Britain finds out their child is disabled.

Thank you!
